#### Added Security

Your security and privacy is our priority and is protected by the same high security standards used throughout the Australian banking industry.

#### To access internet banking on your mobile phone:

Prior to downloading aba.mobile, you will need to register for our internet banking service, aba.online. Please visit arabbank.com.au or freecall 1800 272 222 for more information.

Here is a step by step guide to assist you in downloading the aba.mobile application for Apple iPhone and Android users:

#### Apple iPhone Users

् arab bank australia	0
aba. mobile Arab Bank Australia Finance	GET
ANB Mobile- Arab National	GET
	Arab Bank Lustalia Fiance The field of the f

#### Step 1:

Open your App Store Application and in the search option, type Arab Bank Australia. Once this text is entered you will see the aba.mobile icon appear. Select the option 'Get' in order to download aba.mobile application.

### Step 2:

Select the Install button to download aba.mobile. You will be prompted to sign in with your Apple ID password.

#### Step 3:

You will then be required to click on the aba. mobile application in your home screen, where you will see the screen on the left once opened. Select 'Register' to get started. Please ensure you have your Internet Banking ID and password handy.

#### Step 4:

You will be prompted to accept the Terms of Use.

#### Step 5:

Once you have accepted the Terms of Use, you will be prompted with a welcome screen and you will be required to input your User ID and Password.

	Continue				

#### Step 7:

This step will request you confirm the PIN you have set up.

Once completed, you will be automatically prompted to set up touch ID, available on iOS devices only. Should you wish to use the touch ID feature, please see the following steps to set up your touch ID to securely log in to aba.mobile. If you choose not to use touch ID, you may still sign on to the app with the PIN.

#### Step 8:

Select the 'Yes' option to proceed with setting up Touch ID.

#### Step 9:

You are required to then accept the Touch ID security.

#### Step 10:

You will then need to place your finger on the home button of your iphone device in order to recognise your touch ID. Then select 'continue'.

#### Step 11:

The next step is to authenticate your touch ID, so you are required to touch the home button of your device to finalise the set up.

#### Step 12:

You will be taken to the tutorial page upon login. You may choose to view the tutorial pages or click the 'Skip' button at the bottom left of the screen in order to take you to the main page of the aba.mobile application.

#### Step 13:

Our new aba.mobile application home page will appear. You have now set up aba.mobile on your Apple device.

#### Android Users

#### Step 1:

Open the Google Play Store application and in the search bar, type Arab Bank Australia. Once this text is entered you will see the aba. mobile icon appear.

#### Step 2:

Select the Install button to download aba.mobile

#### Step 3:

A pop up window will appear and you will be prompted with the screen on the left. Select 'Accept' to commence downloading aba.mobile.

#### Step 4:

The aba.mobile icon will download onto your device.

#### Step 5:

You will then need to open the aba. mobile application where you will see the screen on the left. Select 'Register' to commence downloading aba.mobile. Please ensure you have your Internet Banking ID and password handy.

#### Step 6:

You will be prompted to accept the Terms of Use.

#### Step 7:

Once you have accepted the Terms of Use, you will be prompted with a welcome screen to input your User ID and Password.
