1.5. Banking Code of Practice

The relevant provisions of the Banking Code of Practice 2019 (the Code) apply to the banking accounts, services and cards set out in this PDS (as defined in the Banking Code of Practice 2019). The Code sets out the standards of practice and service that Australian banks are expected to apply when dealing with individuals and small business customers, and their guarantors.

You can obtain from us, upon request, a copy of the Code.

2. Opening an account

Your agreements with us are governed by, and will be construed in accordance with the laws of Australia. Disputes arising from these agreements shall be litigated in the jurisdiction of Australia.

If you are an existing Arab Bank Australia customer you are able to open a new account through Internet Banking. All you will need is your Internet ID number. If you do not have Internet Banking access please refer to our PDS section “10- Internet Banking terms and conditions”

2.1. Identification

To open an account you must identify yourself in accordance with the Federal law. You must provide any information and/or documentation we request.

The identification options we give you may differ from application to application.

2.2. Taxation

2.2.1. Tax File Number (“TFN”)

Accounts earning interest are subject to TFN legislation. It is not compulsory for you to provide your TFN or Australian Business Number (ABN). However, if you are an Australian resident and you choose not to provide your TFN or ABN, or a TFN exemption has not been supplied, we must deduct tax calculated at the highest marginal tax rate, plus the Medicare levy, from the interest earned. The amount of tax deducted will form part of your income tax similar to deductions made from wages or salary.

2.2.2. Australian non-resident withholding tax

Interest earned on accounts operated by non-residents is subject to Australian Government non-resident withholding tax.

2.2.3. Foreign Tax/Regulatory Authorities

We have legal obligations under Australia’s participation in Automatic Exchange of Information (AEOI) regimes concerning the automatic exchange of financial account information with foreign jurisdictions. These regimes are known as the Foreign Account Tax Compliance Act (FATCA) in the case of exchange by Australia with the United States of America (U.S.) and the Common Reporting Standard in the case of exchange by Australia with other countries that have implemented the Standard.

From 1 July 2017, if you are a tax resident outside the country where your account is held, we may need to give the Australian Taxation Office this information, along with information relating to your accounts. That may then be shared between different countries' tax authorities.

You acknowledge that if you fail to promptly comply with any request for information relating to your identity or tax status or documents to be furnished, we have the right, without limiting the general rights set out in clause 3.10, to close your accounts with the Bank. We may also withhold an amount from a payment to you if required to do so, and if we do, we will not reimburse you for the amount withheld."

2.3. Joint/Multiple party accounts

If your account is held jointly with one or more other persons:

1. we may provide this PDS and any notices (including statements and changes to this PDS) by making them available to one of the joint holders only, at their address in our records; and
2. all joint holders will be deemed to have received the PDS or notice the day after it is sent to one of the joint holders.
3. If one joint holder dies we may consider that the account is owned by the surviving joint holder(s).
4. The credit balance of a joint account is held jointly by all account holders. This means that each account holder has the right to withdraw all available funds in the account.
5. The joint account holders must all sign an authority telling us how the account can be operated. The authorised method of operation can be:
 - jointly – where two or more signatories must act together; or
 - severally – where signatories must act individually.
6. The joint account holders can change this arrangement at any time by signing a new account authority or amending the existing one. Also, regardless of any authorities to operate, any party to a joint account can require us to operate the account only on the signature of all parties. This might be done if there is a dispute between the joint account holders. Visit any branch for assistance.
7. The liability of joint account holders on an account is joint and several so if one or more account holders overdraws the account, each joint account holder may be liable for payment of all or any part of the amount overdrawn.
8. .

WARNING:

If the account becomes overdrawn by one (or more) of the joint holders, each joint holder may be liable for payment of all or any part of the amount overdrawn.

2.4. Trust Accounts

We may open an account for you where you are acting and named as the trustee for one or more other persons. Examples include a parent holding an account for their children, one or more trustees holding an account on behalf of a club or the beneficiaries under a will.

When you tell us you are holding funds on behalf of a child/children, the account will be opened in your name and styled 'As Trustee For'. You must tell us at the time you apply for the account that it is to be held on trust.

Only the trustee can make requests to us. If any request is made by the beneficiary (including a minor under the age of 18) to access the funds, we would refer the request to the trustee to sign any required documentation and inform the beneficiary to this effect. If the trustee refuses, the beneficiary would in the usual case be informed by the Bank that they would need to resolve the matter with the trustee to transfer the proceeds.

3. Operating an account

3.1. Authorised signatories

You are the only authorised person to operate the account; however, where an account is held in joint names, you and the joint account holder are authorised to operate the account.

You can nominate the person(s) authorised to operate the account by completing an "Account Operating Authority" form and submitting it at your nearest branch. (Note that restrictions apply to website applications).

By signing an Account Operating Authority you instruct us to allow the authorised signatories to operate on your account and to conduct transactions in accordance with the Account Operating Authority including but not limited to withdrawing funds from the account.

If you have a joint account you may choose for any one joint account holder or authorised signatory to severally operate the account or for two or more joint account holders or authorised signatories to jointly operate the account.

If an authorised signatory receives notices of changes of terms and conditions, then the account holder is deemed to receive the notice.

The holders of any account are liable (jointly and severally if there is more than one holder) for all liability incurred as a result of operations on the account.

We can amend the authorised signatories to an account only on receipt of a written authorisation from the existing account holder(s) to effect such a change.

Foreign currency deposits and withdrawals

Cash withdrawals from foreign currency accounts are subject to availability of that foreign currency. Upon a foreign currency cash withdrawal, the foreign currency will be converted to Australian currency and then converted back to the foreign currency. You may receive a lower amount of foreign currency due to the difference in the exchange rates applied.

Upon foreign currency cash being deposited to the foreign currency account, the funds will be converted to Australian currency and then converted back to the foreign currency. A lower foreign currency amount may therefore be credited to your account, due to difference in the exchange rates applied.

We have the discretion to refuse to accept cash deposits in a foreign currency.

Periodical payments

The terms and conditions of use of your account may allow you to make arrangements for us to make regular periodical payments to another account (periodical payment). Refer to Arab Bank Australia Limited Account Features and Charges Booklet for a list of those accounts which have such a facility.

We will only make a periodical payment if your nominated account has sufficient cleared funds for the payment before the start of business on the scheduled date of payment. If your account has insufficient cleared funds, we may check your account again during the next five Business Days. The payment will be made if funds are available when checked during that period. The payment will only be made from your nominated account. We will not check any other account you may have for available funds.

The order of payment from or drawing on your account is at our discretion. If the payment falls on a day that is not a Business Day, it will be made on the next Business Day. We may vary the amount of a periodical payment where your authority to make the payment has been given in connection with the repayment of a credit arrangement with us.

You may stop, vary or cancel a periodical payment if you notify us in writing at least two Business Days before the payment is scheduled to be made. We may charge you a fee if there are insufficient funds in your nominated account to make the payment.

Direct debits

The terms and conditions of use of your account may allow for your account to be debited and the amount paid to a service provider or merchant (direct debit). Refer to Arab Bank Australia Limited Account Features and Charges Booklet for a list of those accounts which have such a facility.

We will only make a direct debit payment if your nominated account has sufficient cleared funds for the payment before the start of business on the scheduled date of payment. The payment will only be made from your nominated account. We will not check any other account you may have for available funds. The order of payment from your account is at our discretion.

We may charge you a fee for providing this service.

We may charge you a fee if there are insufficient funds in your nominated account to make the payment.

A Direct Debit may be stopped or cancelled as required. To help you manage your Direct Debits we can assist you as follows:

1. If you wish to arrange cancellation of your direct debit arrangements yourself, we can provide you with a listing of all direct debit items drawn on your account for the last 13 months (or from account opening – whichever is shorter). Please contact one of our branches and they can provide this list to you free of charge.
2. Alternately you can ask the Bank to arrange the cancellation of a direct debit arrangement or its transfer to another account at the Bank or to a new account at another Bank. In need please contact one of our branches and they can assist you in this process.
3. In the event you believe an unauthorised direct entry debit has been processed to your account, please contact one of our branches immediately and we can investigate for you. If the debit is from a merchant you know or for an arrangement you know please let us know. We do recommend in these cases that you also contact the merchant if possible for you to do so.

Timing of withdrawals and deposits

Generally, all transactions on your account other than Internet Banking and BPAY® transactions will be processed to your account on the same day that they are made provided that they are made before 4.30pm, Monday to Thursday and before 5.00 pm on Fridays (excluding national public holidays).

Transactions made after this time will generally be processed on the next Business Day.

If your direct debit or periodical payment falls on a day that is:

- a Business Day; or
- the first day monthly; or
- the last day monthly

it will be processed on that day.

If a scheduled payment falls due on a non-Business Day, it will be made on the next Business Day. However, in the event before the next Business Day occurs, there is:

- a first day monthly; or
- a last day monthly

occurring, then the payment will be processed on that day.

To the maximum extent permitted by law, we will not be liable for any loss or damage, including consequential loss or damage, suffered because of a disruption to banking services.

This disclaimer of liability does not apply to electronic banking transactions where the terms and conditions in section 10 apply. This disclaimer is in addition to, and does not restrict, any other provisions contained in these terms and conditions which limit our liability.

3.3. Cheques

Note 1: From 30 April 2021, your cheque book will become inactive and you will not be able to write new cheques.

Note 2: From 1st July 2021, we will no longer accept any cheques for deposit into your account.

Clearance

If you deposit a cheque into your account you cannot draw on the funds deposited until the cheque has been cleared. This usually takes three Business Days but it may take longer.

We can arrange special clearance of cheques which means cheques deposited into your account will be cleared faster than normal. However, a service fee will apply.

Cheques can be lost during clearance. If your cheque(s) could not be located, your account will be debited for the value of the cheque(s). We will contact you and advise you of the loss of the cheque(s) and of the reversal of the cheque(s) value from your account and we will ask you to arrange for a replacement cheque to be issued.

Dishonour

At our discretion, a cheque may be dishonoured where:

1. the cheque is unsigned;
2. the cheque is more than 15 months old;
3. the cheque has been altered and the alteration has not been signed;
4. the cheque bears a date in the future;
5. there are insufficient cleared funds in the account of the drawer;
6. the cheque has been stopped;
7. there is a mismatch in the words and amount shown on the cheque;
8. the cheque is incomplete;
9. we have been advised of the mental incapacity, bankruptcy or death of the drawer;
10. there is a legal impediment to payment;

11. the cheque appears to be fraudulent; or
12. the account of the drawer is closed.

A Cheque Dishonour Fee may be charged.

If a cheque you deposit to your account is dishonoured, your account will be debited with the amount of the cheque and you may also be charged a Deposited Cheques Returned Dishonoured Fee.

Directions on cheques

Directions on cheques may be used to safeguard yourself and the payee.

1. **Crossed cheques**
If you put two parallel lines across a cheque you are directing us that the cheque must be paid into an account with a financial institution and not cashed.
2. **Not negotiable**
By printing the words "not negotiable" between the two parallel lines drawn on your cheque, you are directing that the cheque cannot be transferred to another person. If a cheque is stolen then the thief, and any person receiving the cheque from the thief, may not bank the cheque as they are not the person named on the cheque as the payee.
3. **Account payee only**
By writing these words on your cheque between the parallel lines, you are directing us to collect and to pay the cheque only into the account of the person named on the cheque.
4. **"Or Bearer" or "order"**
The words "or bearer" on a cheque mean that we may pay the cheque to whoever has possession of it. If you delete these words or write in the words "to order" the cheque becomes an "order" cheque. If a cheque is payable "to order" it means that the payee can only transfer the cheque to another person by first signing on the back of the cheque.

Tips for cheque security

Your chequebook is valuable, and you should keep it in a safe place. Do not give your cheque forms to any other person for their use and do not give blank signed cheques to any other person.

In drawing your cheque, do not leave gaps between the words or spaces at the beginning or end of a line. Do not use pencil or erasable ink. Only sign the cheque when it is completed. Always write in the amount of the cheque in words as well as in figures. Check your bank statements regularly to reconcile cheques drawn on your account.

If your chequebook is stolen you must notify us immediately and request us to put a stop payment on the relevant cheques by reference to their serial numbers. You must also provide us with written notification of the loss of your chequebook. In the event that the chequebook is found, these cheques can be reactivated once your written authorisation has been provided to us.

If you lose a cheque written by you, you should put a stop order on the cheque (see below) and tell the person to whom the cheque is payable.

WARNING:

It is important to safeguard all your payment instruments including Cards, cheques and pass books. Please notify us immediately of loss or theft. If you do not inform us that your payment instruments have been lost or stolen you may be liable in relation to transactions using them, even though they are made without your authority.

Stopping payment on a cheque

You can place a stop payment on a cheque before we have cleared it or paid the funds to the payee. You must contact your branch with the following details:

You should check the transactions on your statement and contact us immediately if you have reason to believe that there is an error or an unauthorised transaction(s) on your statement.

You may elect to vary the statement printing frequency of your account at any time by contacting one of our branches. If we agree to vary the frequency of your statement a fee will apply.

3.7. Overdrawn accounts

We do not agree to provide any credit in relation to your account without prior written agreement. You must not overdraw your account without such a written arrangement. When and if an account becomes overdrawn we will charge your account with interest. Interest is calculated daily on the balance using the overdraft rate plus a margin. You can find out the current overdraft rate and the margin by calling any of our branches.

WARNING:

We advise you to promptly inform us if you are in financial difficulty.

3.8. Bank's rights to combine accounts

Without prior arrangement with us, your deposit account(s) should not be overdrawn at any time. If any deposit account is overdrawn we reserve the right to, without notice, combine your accounts or transfer sufficient moneys from other accounts held by you with us to the overdrawn account so we can clear the debit balance. Should we do this you will be notified as soon as possible in writing at the address shown on our records. Note also that we reserve the right to charge to any account you hold with us any bank fees, government charges, taxes or duties imposed on transactions conducted, which relates to a particular account.

3.9. Change of name, address, signatories

It is very important that you notify us promptly of any changes in your name or address. If you wish to change the person(s) authorised to operate your account(s), you must contact us and complete the appropriate documents. We will not be responsible for any errors associated with account changes where we have not received adequate prior notice.

3.10. Closing an account

Accounts, other than Term Deposits, Cash Margin Accounts or any accounts held as security, may be closed at any time at your request. In exceptional circumstances you may request us to consider closing a Term Deposit before its maturity date; however, special conditions will apply if we approve the closure and a fee may be charged. Please see section 8 for more details.

You or any authorised person may close your account at the branch where your account is held. The credit balance in the account plus deposit interest (if applicable) less any accrued fees, debit interest, authorised transactions that have yet to be processed by us and Government charges applicable up to the closing date will be paid to you.

Where your account was opened online, any credit balance in the account plus deposit interest (if applicable) less any accrued fees, debit interest, authorised transactions that have yet to be processed by us and Government charges applicable at the date of closing can only be remitted to an account that is held:

1. with another Australian domiciled financial institution; and
2. in the same name as the closed account.

Any part of your account which is not cleared funds will not be available until it is cleared. If your account has a debit balance; the balance plus all accrued interest, fees and charges are payable by you.

We reserve the right to return any cheques presented for payment after the account has been closed. When the account is closed you must return to us any unused cheques, the current passbook (if any) and any Cards authorised for use on the account.

We have the right to close the account due to your unsatisfactory conduct or for any reasons we deem appropriate. We will notify you in writing at the address shown on our records of any decision to close your account and forward to you a bank cheque for the net credit balance of the account.

3.11. Inactive accounts

Your account becomes inactive (dormant) if you do not make a deposit, withdrawal or transfer for a continuous period of three years (Term Deposits excluded). Where applicable an account keeping fee is still payable on dormant accounts. We reserve the right to close the account without notifying you.

3.12. Unclaimed money

In accordance with Federal law, funds in your account are treated as unclaimed money when the account has not been transacted on by you, either by making a deposit or withdrawal (excluding any non-customer initiated transactions such as interest or charges) for the prescribed period currently seven years and where there is \$500 or more in the account. In such a case the account is closed and moneys are sent to the Australian Securities and Investments Commission or other Government agency, as directed from time to time.

3.13. Foreign currency

We advise that the Australian Dollar equivalent value of all foreign currency accounts fluctuates on a daily basis. There is risk that an amount of a foreign currency will decrease if it is used to purchase another currency and the amount of that other currency so purchased is later used to re-purchase the original currency. That is, the amount that you re-purchase may be less than the original amount you held because the exchange rate has fluctuated.

4. Fees and charges

All accounts are subject to specific account fees and charges. Other general fees and charges may also apply to your account for other services or account activity. We offer fee free transaction banking on some accounts under certain conditions.

For information about specific account and general fees and charges please refer to the Arab Bank Australia Limited Account Features and Charges booklet. This booklet is available from any of our branches or online at www.arabbank.com.au

8. Deposit accounts

8.1. Term Deposit

a) Account opening

You may invest an amount in a Term Deposit for a term you choose between one month and five years (in monthly periods) for Term Deposits in Australian Dollars and between one and six months for other currencies. You may also select the actual maturity date of your deposit.

b) Interest

i. General

The interest rate will be fixed on and apply from the date of acceptance of the deposit by us, up to the maturity date of the deposit. Our standard published rates applicable on any day may be obtained by contacting any of our branches or by visiting our website at

www.arabbank.com.au

Interest is accrued daily on the total daily deposit balance, and will be paid as follows:

- For Term Deposits with a term that is less than one year the Bank will pay the interest on the maturity date of the deposit.
On maturity you may choose to have interest paid as follows:
 - Re-invested with Term Deposit balance for a new Term Deposit;
 - Paid to your nominated Arab Bank Australia Limited transactional account held by you; or
 - Withdrawn.
- For Term Deposits with a term of greater than one year the Bank will pay the interest to your nominated Arab Bank Australia Limited transactional account held by you annually and on maturity.

ii. Term Deposits of A\$500,000 or more

At the time of making your deposit, you may negotiate with us the rate of interest payable on your Term Deposit, if it is A\$500,000 or more.

iii. Interest if early withdrawal

If we agree to a termination of a Term Deposit before its maturity date (see below) the interest payable to you will be adjusted. The interest adjustment applied will depend on the percentage of the original term elapsed:

Percentage of Term Elapsed	Adjustment to be applied as a % of the interest
0% to less than 30%	100%
30% to less than 40%	90%
40% to less than 60%	70%
60% to less than 80%	50%
80% to less than 100%	30%

The interest adjustment will apply to any accrued or paid interest to your Term Deposits.

Example

Australian Dollar Term Deposit of A\$25,000 for 90 days, at an interest rate of 5.50%p.a. with early withdrawal after 60 days requested.

1. Interest at the original interest rate, until the date of early withdrawal
(A\$25,000 * 5.50% p.a. / 365 days * 60 days) = A\$226.03
2. Less interest adjustment. The percentage of term elapsed is 67%
(60 days / 90 days * 100), therefore an adjustment of 50% will apply.
Therefore, the interest adjustment will be 50% of the interest earned in point 1.
The calculation is A\$226.03 * 50% = A\$113.01

Therefore, the interest that you will receive upon early withdrawal in this example is A\$113.02 (A\$226.03 less A\$113.01).

c) Record of account

At the time you make your deposit, we will issue you with a receipt. A computer generated Term Deposit Certificate will be mailed to you on the Business Day after you make the deposit.

d) Transactions/features

You may view your Term Deposit balance online but may not undertake online transactions in relation to your Term Deposit.

A Term Deposit is for a fixed term elected by you. However, you may terminate a Term Deposit early, by agreement with us, and at our discretion. Your interest entitlement will be reduced. Withdrawals may also be made at maturity. All deposits, withdrawals and variations to a Term Deposit are required in writing from you or any person(s) authorised to operate your account.

IMPORTANT:

At maturity, and unless written instruction from you (or the person(s) authorised to operate your account) is received by us, we will re-invest your Term Deposit for the same period as the original Term Deposit at the interest rate applicable on the day.

9. Terms and conditions of our Cards

Before you use your Visa Debit Card ("Card"), read this section containing the applicable terms and conditions very carefully. All transactions involving the use of your Card and Personal Identification Number ("PIN") are governed by applicable terms and conditions and the use of your Card will be taken as your agreement to these terms and conditions.

The terms and conditions set out in sections 9 and 10 relate to electronic banking services and operate in conjunction with the terms and conditions applicable to the accounts you operate via electronic banking services.

However, if there is an inconsistency between terms and conditions for electronic banking services and the terms and conditions of an applicable account, the terms and conditions for electronic banking services apply to the extent of the inconsistency.

9.1. Visa Debit Card

You may apply to have a Card issued for your Account or linked to one of your Accounts. Issue of a Card or linking of any Card is at our discretion and Cards cannot be used on some Accounts.

You can use your Card at any ATM designated by us to withdraw cash and check the balance of your Linked Account, at point-of-sale terminals to purchase goods or services from a merchant or pay for goods and services by mail, telephone and internet (conditions may apply, please refer to section 9.5).

If your Linked Account has an overdraft facility connected to it, you can use your Card to get access to that overdraft facility.

If you decide not to obtain a Card at the time you open your account, you can apply for one at any time in the future. Simply visit any of our branches.

9.2. Eligibility criteria

You must be over 16 years of age and have an Australian residential address to be eligible for a Card.

If you are applying for a Visa Debit Card and you are under 18 years of age but older than 16 years of age, a parent/guardian must be a joint account holder to any eligible Linked Account. In addition to their responsibility as a joint account holder, the parent/ guardian is also responsible to us for any use of the Visa Debit Card including any purchases and cash withdrawals until the Minor Card holder reaches the age of 18 years.

9.3. Additional Card holder(s)

You may apply to have a person authorised to operate on your Account with a Card, provided that the person(s) is 18 years of age or over.

Approval is at our discretion. If we approve your application, then while the authority is in force, you are responsible and liable for all transactions carried out, and any debts incurred, by use of a Card on your Account by the additional Card holder(s).

You should ensure that any additional Card holder has read these terms and conditions and understands that they have the same obligations as you.

You can revoke the authority of an additional Card holder(s) by notifying us in writing. If you make such a request, you are responsible for:

1. transactions generated by use of the Card(s) until you have made the request; and
2. transactions generated by use of the Card(s) which are processed to your Linked Account after we receive your request.

9.4. Ownership and use of your Card

Your Card:

1. remains our property. You agree to return your Card and any additional card holder Cards, upon:
 - a) notice from us cancelling your Card;
 - b) closure of your Linked Account;
 - c) revocation of an authority to operate your Linked Account(s) by means of your Card, where applicable;
2. is only valid if it has been signed by you and is used during the validity period shown on the face of your Card; and
3. must be destroyed by you when it is no longer valid by cutting it (including any chip on the Card) into several pieces and disposing of them securely.

9.5. Operation and usage restrictions of your Card

You can use your Visa Debit Card to purchase goods or services from merchants in the following ways:

1. at merchants in Australia or overseas – by pressing the 'credit' or 'cheque' button and entering your PIN;
2. over the phone – by quoting the Visa Debit Card number and expiry date on the front of your card. Some merchants may also require you to quote your card verification number (CCV), this is the last 3-digit printed on the back of your card;
3. on the internet – by using the Visa Debit Card number and expiry date on the front of your card. Some merchants may also require you to quote your card verification number (CCV), this is the last 3-digit printed on the back of your card, you may also be required to enter an online password to identify yourself and authenticate your transaction;
4. withdraw cash at ATMs – by pressing the 'credit' button and entering your PIN;
5. PayWave® allows you to make fast, contactless payments with your card on small purchases; there is no need for a PIN or signature for transactions under \$100. For purchases exceeding \$100 you can still use your Visa PayWave®-enabled card by entering your PIN to authorise the transaction.

Your Card will be confiscated by the ATM should entry of an invalid PIN be repeated three times. The number of tries allowed may be varied from time to time.

In the event that an EFTPOS terminal malfunctions or is otherwise unavailable for use, a merchant may provide alternative manual procedures to enable a transaction to be made. You will be required to present your Card and sign a transaction voucher. A voucher signed by you authorises us to process the transaction to your Linked Account.

We have no liability to any Card holder if an ATM or a terminal or a merchant does not accept a Card.

9.6. Withdrawal limits

Use of your Card is subject to withdrawal limits. The maximum amount of cash you can obtain with a Visa Debit Card is \$1,020 through ATM, EFTPOS, mail order, phone order, internet or while overseas on any one day, or in the event of a system failure your limit is reduced to \$220.

You can ask us to increase your Visa Debit Card limits on a temporary or permanent basis by visiting our branches; approval of your request will be subject to our credit approval criteria.

We reserve the right to change the withdrawal limits at any time. You will be notified of the changes in accordance with section 1.4.

You should be aware that merchants and ATM operators may also impose transaction limits and direct charge fees; these limits and fees are not associated with us and we do not accept any responsibility for the restrictions imposed.

You agree not to use your Card to:

1. overdraw the balance of your Linked Account at any time; or
2. exceed the unused portion of your credit limit under any prearranged facility such as overdraft.

9.7. Transactions on your Card

You agree that we can debit your account with all transactions authorised by you. Transactions are authorised when you:

1. use your Card, alone or together with your PIN, in conjunction with any electronic equipment;
2. present your Card to a merchant and sign a voucher or other documentation acceptable to us;
3. provide your Card account details to a merchant or to any other party to whom payment is to be made, either directly or via a third party, for example, over the phone, via mail order or online;
4. transfer funds electronically using Internet Banking; or
5. arrange a recurring transaction or periodical payment to be paid directly from your Card.

When you authorise a transaction, you agree that:

1. not all electronic equipment from which cash can be withdrawn will always contain cash;
2. any cash dispensed at electronic equipment is at your risk once it becomes visible or available for you to collect;
3. not all electronic functions offered may be available at all times;
4. the transaction correctly represents the purchase price of the goods or services obtained, or the amount of the cash withdrawal; and
5. the transaction amount is payable by you. Where the transaction is conducted overseas the foreign currency amount will be converted into Australian dollars, refer to section 9.10 (conditions may apply, refer to section 9.2).

Where you withdraw cash using an electronic transaction and there is a difference between the amount of cash you receive and the amount shown on the receipt, you must report this to us as soon as possible and to the merchant or ATM operator (if applicable).

9.8. Recurring payments

If you hold a Visa Debit Card, you can purchase goods or services at any time by authorising merchants to transact on the Linked Account by quoting your Visa Debit Card number, expiry date and other information, refer to section 9.5.

To cancel such an authority, you must notify the merchant in writing. Please note, unlike direct debits, we are unable to cancel a recurring payment on your behalf. Until you cancel your authority, the merchant is entitled to request us to debit the account and we are obliged to process this request. If the merchant does not comply with your request to cancel the authority, you must provide us with a copy of the correspondence with the merchant to enable us to dispute the relevant transaction(s) on your behalf.

9.9. Authorisations

If you select the 'credit' button when you use your Visa Debit Card to make EFTPOS purchases or you use the Card number to purchase or pay for goods or services, the transaction may need authorisation from us. This authorisation is for the purpose of establishing that there are sufficient funds available in your Linked Account for the transaction. Once the authorization is obtained, we will reduce the amount of available funds in the account. This means the balance in your account may not indicate the correct amount until the authorisation is cleared and you may find you have reduced funds in your account.

When the goods and services have been supplied the Merchant may request a subsequent authorisation for the actual costs. This may have the effect of reducing your available balance further by the sum of 2 authorisation amounts. You should ensure that the Merchant cancels the original authorisation.

9.10. Foreign currency transactions

When a Visa Debit Card is used to make a foreign currency transaction on your Linked Account, the transaction is converted into Australian dollars as at the date it is processed by Visa International using exchange rates determined by Visa. The exchange rates used by Visa International to convert a foreign currency transaction to Australian dollars are wholesale market rates selected by Visa International from within a range of wholesale rates or the government-mandated rate.

Visa International may convert a foreign currency transaction into US dollars prior to converting it into Australian dollars. Fees will apply to each foreign currency transaction made with a Visa Debit Card on your Linked Account. A foreign currency fee will apply whenever the transaction currency is different to the account currency.

9.11. Disputed transactions

A disputed transaction may include:

1. an unauthorised transaction – a transaction which you believe was not authorised by your use of your Card;
2. a general dispute – a transaction which you wish to dispute. This may include a transaction which has been processed more than once, or a transaction which was authorised by your use of your Card which you wish to dispute.

You can ask us to dispute a transaction on your debit card account and within the Visa Debit Card scheme rules we will investigate and:

1. Will claim the relevant amount back if we find you have been incorrectly charged and you have not contributed to the loss; or
2. May accept the Merchant's refusal to make the chargeback only if the refusal is made in a way allowed under the Visa Debit Card scheme rules

You should report a disputed transaction as soon as possible so that we may investigate and reasonably claim any chargeback right on your behalf.

The timeframe for disputing a transaction may not apply when the ePayments Code applies to the transaction.

9.12. Chargeback rights

If you hold a Visa Debit Card and where you have authorised a merchant to transact on the account by providing your Card number or used your Card to make a purchase, you may be entitled to reverse (chargeback) the transaction where you have a dispute with the merchant.

For example, you may be entitled to reverse a transaction where the merchant has not provided you with the goods or services you paid for. We cannot claim a right of chargeback if the right does not exist. For example:

1. direct debit transactions set up using your default deposit account number and branch number (BSB);
2. transactions at EFTPOS terminals when you have selected the 'cheque' or 'savings' button;
3. BPAY Payments made using your Visa Debit Card.

You must notify us if you believe you are entitled to reverse a transaction. If we are satisfied after investigation that you are entitled to reverse a transaction, we will credit your account for the amount initially debited for the transaction.

Any right of chargeback we may have under Card scheme rules may be lost if you do not:

1. inform us promptly (within 30 days after the date of the statement on which the transaction is recorded) that you wish to dispute a Visa Debit transaction; and/or
2. provide us with any information or material we require to support a chargeback.

You can ask us to reverse a transaction on your debit card account and within the Visa Debit Card scheme rules we will investigate and:

1. Will claim the relevant amount back if we find you have been incorrectly charged and you have not contributed to the loss; or
2. May accept the Merchant's refusal to make the chargeback only if the refusal is made in a way allowed under the Visa Debit Card scheme rules

You should report a disputed transaction you wish to chargeback as soon as possible so that we may investigate and reasonably claim any chargeback right on your behalf.

The timeframe for disputing and charging back a transaction may not apply when the ePayments Code applies to the transaction.

9.13. Charges related to the use of your Card

We reserve the right to change the charges applicable to the use of your Card at any time.

You will be notified of the new charges in accordance with section 1.4.

We will debit your account with the charges in relation to the Card usage monthly on the last day of the month in which the charges were incurred, except for charges arising from Card usage while you are overseas, which will be debited from your account immediately when the Card is used.

9.14. Card cancellation

We may cancel any Card at any time, without prior notice to you. Once you are notified of the cancellation, you must not use your Card. You must destroy or return the Card to us.

You may cancel your Card at any time by visiting any of our branches and completing a Card Cancellation form. A cancellation may not be effective until the Card has been surrendered, or you have taken all reasonable steps to have the Card returned to us. What constitutes taking all reasonable steps to have a Card returned to us, where you are the account holder and the Card in question is held by another person, will vary depending upon the particular circumstances. At a minimum, it will require you to contact that person, if at all possible, and request them to surrender their Card to you, so that you can return it to us.

If you close your accounts or where a Card has been cancelled, the account holder will remain liable for transactions:

1. made using the Card prior to or after its cancellation or closure of the accounts; or
2. made using the Card number for mail, internet, telephone and standing order transactions which have not been cancelled prior to termination (conditions may apply, please refer to section 9.5).

9.15. Card re-issue

We may issue a new Card to you at any time. All re-issued Cards are subject to the terms and conditions of the Card. We reserve the right not to re-issue a Card.

9.16. Lost or stolen Card

If your Card has been lost or stolen you must report it immediately, by contacting the lost or stolen card hotline (refer to section 14 for a list of hotline numbers). The hotline is manned 24 hours a day, 7 days a week.

You must not use the Card once the report is made. If you recover the lost or stolen Card you must destroy it by cutting it (including any chip on the Card) into several pieces and disposing of them securely.

9.17. Security

You must keep your PIN and Card secure and you must not:

1. disclose your PIN to any other person;
2. allow any other person to see you or overhear you providing your PIN;
3. lend your Card to any other person;

4. record your PIN on your Card or any article carried with or kept near your Card that is liable to be lost or stolen at the same time as your Card; or
5. disclose your card verification number (CCV) to any person other than the merchants you are purchasing your goods or services from.

Failure to properly secure your PIN or Card may increase your liability for any loss.

You must notify us immediately and cease the use of your PIN when you become aware or suspect that your PIN has been disclosed or used without your authority or lost. We will cancel the Card and may arrange for a new Card and/or PIN to be issued.

9.18. Changes to these terms and conditions

Please refer to section 1.4 for more information on how we may vary the terms and conditions applicable to your Card.

10. Internet Banking terms and conditions

The terms and conditions set out in sections 9 and 10 relate to electronic banking services and operate in conjunction with the terms and conditions applicable to the accounts you operate via electronic banking services.

However, if there is an inconsistency between terms and conditions for electronic banking services and the terms and conditions of an applicable account, the terms and conditions for electronic banking services apply to the extent of the inconsistency.

This may not always be the case, however, such as in the case of requests made after the Cut-off Time on the previous Business Day or due to interruptions to the Service or other system difficulties.

We will take all reasonable steps to ensure that the information that we make available to you through the Service is correct and up to date. You acknowledge that we will not be liable for or in connection with any inaccuracy, errors or omissions in that information because of any circumstance beyond our reasonable control.

You acknowledge and agree that we may, at any time in accordance with this PDS, add or remove or make changes to the Service.

10.3. Multiple signatories on an account

A Linked Account that requires more than one signature to operate the account at any time cannot be used for Funds Transfers From, Transfers to Anyone or BPAY® Payments through the Service, unless the minimum required number of signatories on the account have authorised the transfer or payment. Through the "Multi-to-Sign" functionality we allow multiple signatories on an account to authorise a payment or transfer via Internet Banking.

10.4. Transfer limits

We reserve the right to impose minimum and maximum limits at any time to funds transfers and BPAY® Payments within the Service. If you attempt to make a transfer below a minimum limit or above a maximum limit, your transfer will not be processed and you will be notified.

We may vary such limits at any time without notice; however, you will be advised of any permanent or long-term variations to such limits.

You can ask us to increase or reduce these limits on a temporary or permanent basis by visiting our branches or via Secure Mail (restrictions may apply, please see section 10.2).

In addition to those limits imposed by us, Billers may also impose limits on the amount of a BPAY® Payment they will accept from your Linked Accounts and on the type of account that can be used to make a BPAY® Payment. If you attempt to make a BPAY® Payment to a Biller below or above that Biller's limits or from an account type not accepted by a Biller, your BPAY® Payment will not be processed and you will be notified.

10.5. SMS payment authentication

To enhance the level of security offered to you and to reduce the incidence of fraud, we offer a free secure SMS authentication threshold limit which allows you to transfer funds or make BPAY® payments from your account.

When completing a Transfer or BPAY® payment for an amount exceeding the authentication limit, the service sends a randomly generated one-off unique authorisation code via SMS to your mobile phone. Once you have received this code, you must enter it into the requested field on the payment screen to authorise and complete the payment.

The SMS code is only valid for the current transaction. We recommend you to delete the SMS code after use to avoid any confusion.

You will receive an SMS payment authentication alert for all initial BPAY® and transfers made to any new third parties.

You can receive Secure SMS messages while overseas, if you have global roaming access. Please check with your mobile phone service provider on access to global roaming and any charges associated with global roaming access.

10.6. Electronic instructions

You authorise us to act on the instructions that you enter into electronic equipment. However, your instructions include instructions connected to the provision of your valid Internet ID and Password, whether or not they are entered by you. Cleared funds must be available on the day the transaction you have instructed is to be effected.

If you have given instructions to us for more than one payment from your account(s), we will determine the order of priority in which payments are made.

We will debit your relevant account(s) every time you do a transaction. Transactions will not necessarily be processed on the same day.

We are not obliged to, and may delay, processing an instruction if it is not made in accordance with relevant terms and conditions. We may also request that you provide further information before processing an instruction.

Any electronic instruction cannot be cancelled, altered or changed by you once you have confirmed your instruction to us by pressing the Proceed with Transfer button.

We will process your instructions:

1. for immediate instructions: on the same day you request the transfer to be made provided that we receive the instruction before the Cut-off Time on that day, otherwise on the Business Day following the day we receive your instructions. This may be the case even if the Service displays a change in Linked Account balance(s); and
2. for scheduled instructions: on the day requested if the day you requested is a Business Day, otherwise on the Business Day after the day requested.

We may vary the Cut-off Time at any time without notice. We will advise you of permanent or long-term variations to such time; however, we may need to make temporary changes without notice.

If you use an electronic transaction for a deposit of funds to an account and there is a difference between the amount recorded as having been deposited and the amount we receive, you will be notified by us of the difference as soon as possible and be advised of the actual amount credited to the account.

We will not be liable for the refusal of any merchant to accept an electronic transaction and, to the extent permitted by law; we will not be responsible for the goods and services supplied by the merchant. We may at any time change the types of accounts that may be operated, or the types of electronic transactions that may be made, through particular electronic equipment.

You agree that:

1. we do not represent or guarantee that access to electronic functions will be uninterrupted;
2. electronic banking services may be affected by outages, faults or delays including technical difficulties with the performance or operation of our software or systems or technical difficulties with the Internet or infrastructure failures; and
3. we cannot guarantee that any data transmission over the Internet is totally secure.

10.7. Cancellation or denial of electronic access

We may deny electronic access or withdraw your electronic access (unless such withdrawal is prohibited by law) to accounts without prior notice to you:

1. if the electronic equipment malfunctions or is otherwise unavailable for use;
2. a merchant refuses to accept your Card;

3. we believe that your access to accounts through electronic equipment may cause loss to you or to us;
4. we believe that the quality or security of your electronic access process or our systems may have been compromised; or
5. we suspect that you have been fraudulent or have engaged in inappropriate behaviour;

You may de-register from Internet Banking by sending us a written request or via Secure Mail, or by calling us direct.

10.8. Security

You must keep your Password secure and ensure your Password is not easily identifiable or easy for others to guess (for example, you should not select a numeric code which represents your birthday or an alphabetical code that represents part of your name). If you do not take these precautions, you may be liable for any loss or theft that occurs as a result.

You must keep your Password and Internet ID separate and apart from one another and you must not:

1. disclose your Password to any other person;
2. allow any other person to see you or overhear you providing your Password;
3. record your Password in any way which would allow any other person to determine that it is your Password. This includes ensuring that your Password is not easily identifiable or easy for others to guess.

If you suspect that the security of your Password for Internet Banking has been breached or your Password has been lost or stolen, you must immediately notify us of the suspected breach. We can then cancel the Password and arrange for you to choose a new secure Password. You can advise us of a suspected breach by calling our Internet Banking centre on 1800 646 484 between 9.00am and 5.00pm AEST Monday to Friday.

If you unreasonably delay notifying us, we may not be responsible for any loss that is incurred as a result of an unauthorised transaction on any of your Linked Accounts.

You must also take all reasonable steps to ensure that your browser, operating system, anti-virus and firewall software is up to date.

If we have any reason to believe that your computer security may have been compromised we reserve the right to suspend your Internet Banking access until such time that you can confirm that your computer has been checked for any malicious software and that all your computer security software are up to date.

10.9. BPAY conditions

We are a member of the BPAY® Scheme. The BPAY® Scheme is an electronic payments system through which we can be asked to make payments on your behalf to Billers. We will tell you if we cease to be a member of the BPAY® Scheme. BPAY® is only available via Internet Banking. You cannot make a BPAY® payment via telephone banking.

You must comply with the terms and conditions for the Linked Account to which you request us to debit a BPAY® Payment (to the extent that those terms are not inconsistent with or expressly overridden by the Internet Banking terms and conditions).

To make a valid BPAY® Payment, you must provide the following information using the Service:

1. your Internet ID;
2. your Password;
3. the Biller Code from the Bill;
4. your customer reference number (this is usually your account number with that Biller) which is found on the relevant bill;
5. the amount you want to pay; and

6. the Linked Account from which you want the payment to be made.

You acknowledge that we do not check that the details provided by you are correct or as you intended, nor are we responsible for any inaccuracy in instructions given by you.

You acknowledge that it is your responsibility to ensure that the details you have provided, such as Biller code and reference number, are correct and as you intend, otherwise the transfer may not be successful or it may be paid to the wrong Biller or account.

We are not responsible for the information that a Biller receives from the Biller's bank in relation to a Bill Payment made using the Service.

Participating Billers in the BPAY® Scheme will generally treat BPAY® Payments as received:

1. on the date we are told to make it, if this occurs before 4:00pm Sydney time on a Banking Business Day; or
2. otherwise, on the next Banking Business Day if you tell us to make it after 4:00pm Sydney time on a Business Day, or on a non-Business Day.

Notwithstanding the above, a delay might occur in the processing of a BPAY® Payment where:

1. there is a public or bank holiday in Melbourne and/or Sydney on the day or on the day after we are told to make a BPAY® Payment; or
2. a Biller, or another financial institution participating in the BPAY® Scheme, does not comply with its obligations under that scheme; or
3. there are systems or other issues beyond our control.

Whilst it is expected that any delay in processing a BPAY® Payment for any reason set out above will not continue for more than one Banking Business Day, it may continue for a longer period. Once we process your instructions, any delays are outside of our control. We are not responsible to you for any losses or expenses incurred by you as a result of delays in processing a BPAY® Payment.

IMPORTANT:

It is your responsibility to allow sufficient time for processing of payments to the Biller.

If a BPAY® Payment is made to a person, or for an amount, which is not in accordance with your instructions to us and your Linked Account is debited for the amount of that payment; we will credit that amount to that Linked Account subject to the following:

1. you must provide us with such information relevant to such payment as may be reasonably required to investigate the BPAY® Payment with the relevant Biller;
2. you must pay us the amount of any BPAY® Payment if:
 - a. we cannot recover such payment within 20 Banking Business Days from the person who received the payment; and
 - b. such payment was made as a result of a payment direction which did not comply with the security or other procedures set out in the terms and conditions applicable to use of the Service.

Our liability for making a BPAY® Payment not in accordance with your instructions is limited to the amount of that BPAY® Payment made in excess of your instructions and/or paid to the wrong person.

In no circumstances will we be liable for any indirect or consequential loss or damage suffered by you as a result of us not making a BPAY® Payment in accordance with your instructions.

Our acceptance of your instructions to pay a Biller does not generally protect you against the possibility of fraud by that Biller or some other party involved in the BPAY® Scheme. Although we will provide you with reasonable assistance to help you pursue a refund, you could ultimately bear the loss.

It is your responsibility to exercise care about the Biller dealt with and the security of your Internet ID and Password.

If we are advised by a Biller that it cannot process your BPAY® Payment, we will:

1. advise you of this; and
2. credit your Linked Account with the amount of that BPAY® Payment.

10.10. SMS banking

You may register to receive SMS alerts using Internet Banking. Only one mobile phone number may be nominated per Internet ID. Once you have registered, you may choose to receive a range of alerts on your nominated mobile phone number when certain activities occur on nominated accounts.

You will receive an SMS payment authentication alert for all initial BPAY and transfers made to any new third parties.

In order to ensure that you continue to receive SMS alerts and account enquiries, you must ensure that you always keep us up to date with your current mobile phone number and advise us if your mobile phone is lost or stolen. Your financial details may be viewed by any person who has access to your phone. The account holder can advise us of a change in mobile phone number or loss of the phone by calling our Internet Banking centre on 1800 646 484 between 9.00am and 5.00pm AEST Monday to Friday.

You can cancel SMS alerts and account enquiries at anytime using Internet Banking.

10.11. Fees and charges

We reserve the right to change the charges applicable to the use of the Service at any time. You will be notified of the new charges in accordance with section 1.4. We will debit your account with the applicable charges in accordance with the terms and conditions of your account (refer to section 8 for more information).

10.12. Changes to these terms and conditions

Please refer to section 1.4 for more information on how we may vary the terms and conditions applicable to Internet Banking.

11. Liability

11.1. Unauthorised transactions

To the extent permitted by law, we will not be responsible for any loss or damage (including consequential loss or damage) suffered by you in relation to the use of or the inability to use, electronic banking services, including, but not limited to:

1. any reliance by you on information obtained through use of the Service;
2. we acted in accordance with any instructions given by you;
3. we did not act in accordance with any of your instructions where the instructions are incomplete, the relevant Linked Account holds insufficient available funds and/or the Service has been suspended until such time as we can process that instruction;
4. delays or errors by third parties, including other financial institutions and Billers;
5. the failure by a third party, including other financial institutions and Billers, to accept, or acknowledge receipt of, funds which you have instructed us to pay to or through that third party;
6. delays in advising you, and crediting a Linked Account if a transfer or payment instruction is not successfully processed by a payee's financial institution;
7. details provided by you; such as, a BSB and account number are incorrect or not as you intended;
8. failure of the Service caused by the hardware or software used by you to access the Service or by a third party (such as your Internet service provider); or
9. any delay or failure by us to perform our obligations if such delay is due to a Force Majeure.

We will be liable for losses incurred by you which:

1. are caused by the fraudulent or negligent conduct of our employees or agents or entities involved in networking arrangements or merchants or their agents or employees;
2. relate to a Card that is faulty, forged, expired or cancelled;
3. arise from transactions that require the use of any Card, Password or PIN that occurred before you have received or selected the Card, Password or PIN;
4. arise from a disruption to the Service directly caused by our act or omission;
5. result from the same electronic transaction being incorrectly debited more than once to the same account;
6. result from an unauthorised transaction that occurs after you have notified us that your Card has been misused, lost or stolen or that the security of your Password or PIN has been breached; or
7. arise from an unauthorised transaction if it is clear that you have not contributed to the loss.

You will be liable and must indemnify us for losses incurred by you, if we can show on the balance of probabilities that you contributed to the loss arising from the unauthorised transaction:

1. through voluntarily disclosing a PIN or Password to anyone (including a family member or friend);
2. writing or indicating the PIN on your Card;
3. enabling third party access to your accounts or personal information;
4. failing to properly log off the Service;
5. through your fraud;
6. by keeping a record of the PIN or Password (without making any reasonable attempt to disguise it):

- i. on the Card;
 - ii. on any article carried with the Card; or
 - iii. which may be lost or stolen at the same time as the Card;
7. by unreasonably delaying notification of:
 - i. the Card being lost or stolen;
 - ii. (ii) unauthorised use of the Card; or
 - iii. (iii) the PIN or Password becoming known to someone else;
8. by using your birth date or an alphabetic code which is a recognizable part of your name as a Password or PIN; or
9. by acting with extreme carelessness in failing to protect the security of your Password or PIN.

You will not be liable for any loss, however, after you have notified us of the loss, theft, breach of security or other unauthorised event or the following losses:

1. caused by overdrawing your account or exceeding an agreed credit limit;
2. which over a set period of time is greater than the transaction limit for that period;
3. where we have agreed the account could not be accessed electronically; or
4. as a result of conduct that we expressly authorised you to engage in including you storing, recording or disclosing a Password or PIN in a way that is required or recommended by us for the purposes of account access or otherwise impliedly promoted or endorsed by us.

Where it is unclear whether or not you have contributed to the loss resulting from an unauthorised transaction, you will be liable for the lesser of:

- i. \$50;
- ii. the balance of the relevant account including any unused portion of any credit facility;
- iii. the actual loss incurred up to the time you notified us of the loss or theft or existence of an unauthorised transaction.

11.2. Equipment malfunction

We are responsible to you for any loss caused by the failure of any electronic or communications equipment, system, hardware or software to complete a transaction that was accepted in accordance with your instructions. We will not however be liable where you should have been aware that the system or equipment was unavailable for use or was malfunctioning. In this case our liability will be limited to the correction of any errors in your account and the refund of any charges or fees imposed on you as a result of the malfunction.

You are not liable for losses incurred because our facilities for reporting lost or stolen Cards, breaches of security or unauthorised transactions were not available and you were consequently unable to report that event, provided you notified us within a reasonable time of the facilities again becoming available.

12. Other non-cash payment facilities

12.1. Direct debit and periodical payments

These are referred to in section 3.2

12.2. Telegraphic Transfers

A Telegraphic Transfer is a message from us forwarded electronically to a recipient bank to pay a named party (the beneficiary) a specified sum of money by order of the remitter (or applicant). Funds generally should be available for payment to the beneficiary's account within two Business Days of us accepting to send your instructions.

Instructions to carry out a Telegraphic Transfer may only be affected from your existing Arab Bank Australia account(s).

We will not be liable for any costs, losses or damages if delayed payment occurs and we have acted in good faith on your instructions. If you request us to make any inquiry in the event that delayed payment occurs, you will meet any costs incurred by us in making the inquiry (including an Inquiry Telex Fee). Note that we will only remit telegraphic transfers against clear funds. Telegraphic transfers may be sent in the following currencies:

1. Arab Emirate Dirham (AED);
2. Australian Dollars (AUD);
3. Bahraini Dinars (BHD);
4. Egyptian Pounds (EGP);
5. Euros (EUR);
6. British Pounds (GBP);
7. Jordanian Dinars (JOD);
8. Saudi Riyals (SAR);
9. Swiss Francs (CHF); and
10. US Dollars (USD).

Other currencies may be available upon request.

We reserve the right in accordance with section 7 to delay, block or refuse to make a telegraphic transfer if we believe on reasonable grounds that making the transfer may breach any law in Australia or another country.

A fee is payable for this service.

If we cannot send the payment directly to the beneficiary's bank then we may need to use a correspondent bank to effect the payment.

A correspondent bank may charge fees or commissions in making the payment to the beneficiary's account. These fees or commissions, if applicable, will be deducted by the correspondent bank from the funds paid to the beneficiary, thus resulting in the beneficiary receiving less than the payment amount specified.

Where the correspondent bank is unable to effect payment to the beneficiary and is required to return these funds, it may deduct fees from the returned proceeds.

The benefits of telegraphic transfers are:

1. they are a secure means of payment;
2. we may include a short message as part of the payment transaction; and
3. the beneficiary generally receives payment within 24 - 48 hours of despatch of the telegraphic transfer.

12.3. Bank cheques

Note: Bank cheques will not be issued after 30 May 2021

Bank cheques are cheques, issued in Australian Dollars, instructing payment from our own account rather than from your account. Whilst bank cheques are generally accepted as a reliable form of payment within Australia because of the higher likelihood that they will be paid, they should not be regarded as equivalent to cash.

Bank cheques will only be issued to our existing customers. When applying for a bank cheque, you will need to provide the name of the payee and the required amount for the bank cheque. You may only draw on cleared funds to pay for the bank cheque.

A fee is charged for the issue of a bank cheque. A bank cheque may be dishonoured if:

1. the bank cheque is forged or is a counterfeit;
2. we are instructed that the bank cheque has been lost or stolen;
3. a court order restrains us from paying the bank cheque;

4. the bank cheque has been fraudulently and materially altered;
5. we have not received payment for the issue of the bank cheque; or
6. if the bank cheque is presented by a person who is not entitled to the proceeds.

If the purchaser of a bank cheque does not subsequently use the cheque, the purchaser may request that us re-purchase the bank cheque. We are under no obligation to re-purchase a bank cheque. Upon receiving a request to re-purchase a bank cheque, we will identify the purchaser making the request. We will then need sufficient time to conduct certain investigations prior to approving any decision to re-purchase the bank cheque.

A fee applies for the re-purchase of a bank cheque.

If a bank cheque is lost or stolen, you must report this to the branch from which you purchased the cheque immediately. The branch will then require you to complete and sign a Lost/Stolen Bank Cheque form and a Lost/Stolen Bank Cheque Indemnity Form and you will need to provide us with the phone number and address details of the payee. We may choose to issue a replacement bank cheque once we are satisfied that:

1. the bank cheque has not been presented;
2. our investigations (which may take some weeks) have produced a satisfactory outcome; and
3. that the payee is satisfied with the arrangement for the issuance of a replacement bank cheque in favour of the payee.

A fee is payable for stopping and reissuing a lost or stolen bank cheque, and for repurchasing a bank cheque that is no longer required.
